

**Are you in the Plumbing Trade?
Are you a Heating Engineer or Gas Installer?
Have you heard of the Plumber Tax Safe Plan (PTSP)?**

HM Revenue & Customs (HMRC) have launched the PTSP initiative to ensure that all your income has been declared. The initiative is open until 31 May 2011 and offers you the chance to voluntarily disclose any income to HMRC that you may not previously have divulged with the incentive that there will be lower penalty consequences for you.

Fancy a fresh start with HMRC? If so, Stephen Penny & Partners (SP&P), can assist you with all your accounts, tax returns and communications with HMRC. SP&P can also undertake a review of your position to assess if a disclosure is required.

For pro-active and straightforward advice, please contact SP&P, a local firm of accountants and tax advisors on 01202 526522 or email us at accountants@sp-partners.co.uk.
